

Bazar Badge Criteria

Helping to meet Ethical Standards

Due to the expense of attaining certifications some smaller manufacturers may not have received industry recognition yet but have adhered to the standards. Once verified by Bazar sellers will be able to set themselves apart from the crowd by applying one of our badges.

Add to your profile by applying for a Bazar badge and stand out from the crowd!

Once the seller has been confirmed by the Bazar team we will add the requested badge to the seller's profile.

We kindly ask all Sellers for transparency when communicating their profile biography and product categories to Bazar and to its customers correctly and honestly.

Eco- Friendly Badge

The seller confirms that the main materials and or components of their items or garments have been recycled/re-purposed from an existing previously used item or items.

All product materials are recovered and recycled

The seller confirms that materials used in the manufacture of this item or garment are certified eco-friendly with no harmful chemicals that will affect the environment

Organic Badge

The seller confirms that their product has been made chiefly utilizing materials developed and or grown in compliance with organic farming and agricultural standards. That the materials of their products are free from herbicides, pesticides or hereditarily altered seeds.

As the cost of accomplishing formal certification is expensive some smaller producers might not have obtained industry acknowledgment, however have followed organic standards and benchmarks.
